9:32 PM

Intro

Player watched intro screen fully

Player liked intro presentation

Player unsure what button to press to start

No clear start prompt noticed

Eventually clicked start after hesitation

Observations:

- Player hesitant at start
- Start interaction not obvious
- Intro received positively

LEVEL 1

Initial Discovery

Player unsure what to do

Did not understand movement immediately

Did not discover controls naturally

Player confused about stamps

Player unsure if stamps were collectibles or objectives

Think-Aloud Notes

- "What am I supposed to do?"
- "Can I interact with this?"
- "I don't know what I'm collecting"

Ghost Room

Player struggled to leave ghost room

Did not understand stealth mechanics

Did not realize hiding spots

Player moved slowly and cautiously

Time to Leave Ghost Room:

Did not complete without assistance

Gap Section

Player struggled heavily with momentum mechanic
Did not discover running naturally
Multiple failed attempts
Player became frustrated

Time to Cross Gap:

Did not complete without assistance

Level 2 — Ice Level

Player liked idea of ice level
Player immediately noticed slippery movement
Player struggled with control on ice
Mostly avoided ghost
Says turrets could be a little harder
Maze was very difficult. Took multiple tries and had to restart

Think-Aloud Notes

- "This is very slippery"
- "This is hard but interesting"

Player suggested:

- Add stamp counter
- Add stamina bar
- Add tutorial level

Time to complete: 13minutes

Time getting to maze: 5minutes

Time Finishing maze: 8minutes
